SUBJECT: Tariff To Withdraw Coin Repair Referral Service
Docket No. 01-00242

Dear Mr. Waddell:

Your later dated March 21, 2001 requested the "number of repair referrals provided each month for the two year period ended December 31 2000 to (a) BellSouth Public Communications and (b) to independent payphone service providers". As indicated in the original filing letter (copy attached), Coin Repair Referral Service has no current subscribers nor has it had any subscribers since its inception in 1995. Accordingly, no repair referrals were provided for the two-year period ended December 31, 2000 for either BellSouth Public Communications or independent payphone service providers. In addition, no repair referrals were provided from the inception of the service in 1995 until December 31, 1998 for either BellSouth Public Communications or independent payphone service providers.

Please call Jim Gotto at 214-3815 if you have any additional questions or wish to discuss.

Yours truly,
